Responsibilities for Program Content
Submission of programs for the public access channel(s) is free of charge and free of content control by PUBLIC ACCESS NORTHERN DUTCHESS AREA, INC., hereinafter sometimes called "PANDA," subject to the policies herein. Responsibility for the content of programs rests with the individuals and organizations, hereinafter called "Channel User" or "User," submitting the programs. PANDA requires Users submitting programs to submit a signed and completed Program Agreement prior to the cablecast of any program. That program agreement provides among other things for the User’s indemnification of PANDA for any violations of PANDA policies or the law and requires a certification that such programming in fact does comply. All Program Agreements must include the name and address of the Channel User. If the individual submitting a program is not the program's producer, the individual must also submit the name and address of the program's producer. (See Program Agreement.)

Address Verification

   a) Driver’s license
   b) New York State photo non-driver ID card showing age and address

   d) Voter registration along with an acceptable form of picture ID.
      Acceptable forms of picture ID include:
      • U.S. Passport
      • Foreign Passport
      • Resident Alien Card
      • U.S. Military ID Card

Channel Users are responsible for submitting changes in address, in writing, to PANDA along with satisfactory evidence.

Organizations Submitting Programs

This restriction does not apply to studio telephone numbers displayed for the sole purpose of facilitating non-commercial call-in programs. PANDA recognizes the commercial nature of non-original record on Film Company produced programming, including music videos and film trailers. In order to prevent the promotion of commercial products on the public access channel, programs containing more than 50% of such material are prohibited. (Commercial program providers are encouraged to contact their local cable company regarding "commercial use" cable channels. In the Towns of Red Hook and Rhinebeck and the Villages of Red Hook, Rhinebeck and Tivoli, all hereinafter, sometimes catted "the Communities," these channels are administered by Time Warner Cable; these channels are not affiliated with PANDA.)

Political and Campaign Programming Guidelines
Prior to each town and village election in PANDA’s municipal constituents, the Station Manager will attempt to contact all candidates directly or through party organizations to remind them the PANDA channel and equipment are available for their use on the same basis as any citizen. If competing candidates submit programs, every attempt will be made to schedule these programs equitably. Candidate messages may not include solicitation of contributions. PANDA will broadcast campaign and candidate programming commencing four weeks prior to the scheduled election date. Programs will be scheduled to run up to four times per day, as schedule allows. PANDA recommends candidate programs be 3-5 minutes long, but not longer than 15 minutes. No political or campaign-related programming will be aired on the day of or day immediately preceding any election, special election, or public referendum.

Channel Users must represent that they have obtained all necessary permission for material and individuals appearing in their programs. Channel Users are required to provide satisfactory evidence of such permission upon request by PANDA.

Adult, Violent, Medically Graphic Programming

PANDA will schedule programs within the parameters of overall programs composition and flow, taking into consideration audience building and the representative diversity of programming on the access channel(s). PANDA will also exercise scheduling discretion to ensure access for new Channel Users, single programs, series of limited duration, special events and Community emergencies. Single Programs
A portion of the public access channel(s) will be allocated for single programs. A single program or "special" is defined as a program that is scheduled for a single time slot rather than on a recurring basis. A portion of the public access channel(s) will be allocated for single programs and series of limited duration (i.e. a three-part special program). Channel Users may request time for a single program at any time. The DVD to be cablecast must accompany all single program requests. Generally, single programs will be scheduled within two weeks after submission. PANDA will schedule single programs as requests are received. Programs will be scheduled subject to available channel time. One additional play may be scheduled subject to available channel time and at the discretion of PANDA.

Continuing Series
Series Channel Users may request renewal of their programs for additional thirteen-week periods beyond the first six months. However, continuing series are subject to scheduling changes, reduction in series frequency or length, or cancellation depending upon the number of requests received from new series Channel Users. If a scheduling change is necessary to accommodate a new series request, PANDA will be guided by the program priorities listed above. Continuing series from Channel Users from the Communities will not be replaced with series from Channel Users from outside of the Communities. Continuing series Channel Users may request a change in their existing time slot. Program changes will be scheduled in accordance with the above program priorities and after all new series requests have been scheduled.
